

## *The Two Ephods 2025-Essay*

### *The Prophetic Nature of the Gemstones of the Priestly and Luciferian Ephods*

#### *Do you know the meaning of the missing stones on Lucifer's Ephod?*

There are many prophecies about Lucifer that are well known:

- He will bruise Yeshua's heel, and Yeshua will crush his head (Genesis 3:15).
- The fall of the King of Tyre is a description of Lucifer's original fall from grace (Ezekiel 28);
- He will be confined to the bottomless pit for 1,000 years (Revelation 20:1-3); and
- He will be thrown into the Lake of Fire (Revelation 20:10), to name just a few.

**But few are aware that the stones of Lucifer's ephod are also prophetic in nature.**

#### **First Stop – Ephod of the High Priest**

**Exodus 28:17** – “Put on the ephod settings of stones, four rows of stones: the first row is to be a carnelian, a topaz and an emerald; the second row a green feldspar, a sapphire and a diamond; the third row an orange zircon, an agate and an amethyst; and the fourth row a beryl, an onyx and a jasper. They are to be mounted in their gold settings. The stones will correspond to the names of the twelve sons of Israel; they are to be engraved with their names as a seal would be engraved, to represent the twelve tribes.”

The above translations of the stones are from the Hebrew words, which are: Odem [אודם H124], Pitdah [פִּטְדָּה H6357], Bareqeth [בִּרְקֶת H1304], Nophek [נוֹפֶק H5306], Sappiyr [סַפִּיר H5601], Yahalom [יְהָלוֹם H3095], Leshem [לֶשֶׁם H3958], Shebuw [שֶׁבוּ H7618], Aclamah [אַחֲלָמָה H306], Tarshish [תַּרְשִׁישׁ H8658], Shoham [שׁוֹהָם H7718], and Jashepheh [יַשְׁפֶּה H3471].

#### **Second Stop – The Sons of Jacob**

The sons of Jacob, in order of birth are: Reuben, Simeon, Levi, Judah (**Genesis 29:32-35**), Dan, Naphtali, Gad, Asher, Issachar, Zebulon, Joseph (**Genesis 30:6-22**), and Benjamin (**Genesis 35:18**).

#### **Third Stop – The Correlations**

By taking the stones of the breastplate and assigning them to each of the sons of Jacob in their birth order we find the following correlations:

##### *Row 1*

The Carnelian is assigned to Rueben,  
The Topaz is assigned to Simeon,  
The Emerald is assigned to Levi,

##### *Row 2*

The Green Feldspar is assigned to Judah,  
The Sapphire is assigned to Dan,  
The Diamond is assigned to Naphtali,

##### *Row 3*

The Orange Zircon is assigned to Gad,  
The Agate is assigned to Asher,  
The Amethyst is assigned to Issachar,

##### *Row 4*

The Beryl is assigned to Zebulon,  
The Onyx is assigned to Joseph,  
The Jasper is assigned to Benjamin.
